

Altus Alabaster Marble & Copper Pendant Light, 6000K, IP20, 120–240V

OVERVIEW

The Altus Pendant Light (RS-PL-ALTUS) is a decorative pendant fixture constructed from alabaster marble and copper, finished in white and black. Measuring 8 inches in diameter, its bowl-shaped form draws from Japanese design principles, making it suited for residential and light commercial applications such as bedside, dining, or accent installations.

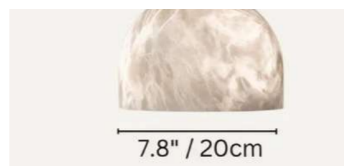

The fixture operates on 120–240V AC input and is rated at 6000K CCT with an efficacy of 100 lm/W. It carries an IP20 environmental rating, designating it for dry indoor use only. Rated service life is 50,000 hours.

No certifications are confirmed in the available source data. Consult your Poli LED & Signs representative for compliance documentation and warranty terms applicable to this product.
