

Globus Alabaster & Brass Pendant Light, 25W, IP20, 120–240V

OVERVIEW

The Globus Pendant Light (RS-PL-GLOBUS) is a decorative pendant fixture constructed from alabaster marble and metal with a brass finish. Designed for interior applications, it is suited for residential and commercial spaces where ambient, accent lighting is required.

The fixture operates at 25W across a 120–240V AC input range and carries an IP20 environmental rating, making it appropriate for dry indoor locations only. Rated lamp efficacy is 100 lm/W, and the light source is rated for 50,000 hours of service life. Overall dimensions are 9.8 in. diameter x 44 in. height (25 x 112 cm).

No certifications have been confirmed in the available source documentation. Consult your Poli LED & Signs representative for compliance documentation and warranty terms prior to specification.
