

## Alabaster Marble & Copper Gong Pendant Light, 3000K, IP20

### OVERVIEW

The Gong Pendant Light (RS-PL-GONG) is a nature-inspired decorative pendant crafted from genuine alabaster marble with copper accents. Designed to resemble a stone teardrop, it delivers diffused, ambient illumination suited for residential and light commercial interior applications. It is available in a black finish and can be grouped in clusters of varying sizes for layered visual effect.

The fixture operates at 3000K CCT and is rated at 100 lm/W efficacy with an input voltage range of 120V–240V AC. Rated life is 50,000 hours. The IP20 rating designates this fixture for dry, non-waterproof interior environments only. Dimensions are 13.8 x 4.7 in (35 x 12 cm).

No certifications are confirmed in the available source data. Consult your Poli LED & Signs representative for compliance documentation and warranty terms applicable to this product.
