

Wall-Mount Bedside Reading Lamp, 1W GU10, USB Charging Port, Brass Finish

OVERVIEW

The Lukra is a wall-mounted reading lamp designed for bedside, bedroom, and task-lighting applications. Constructed from acrylic, metal, and brass, it features a cylindrical profile with a polished brass finish and an on/off push switch for direct control. An integrated USB charging port provides a convenient power source for devices at the point of use.

The fixture operates on a GU10 LED bulb rated at 1W with an efficacy of 100 lm/W, accepting input voltage from 120V–240V AC. Rated life is 50,000 hours. The lamp carries an IP20 rating, suitable for dry indoor environments only. Overall dimensions are 5.1 x 1.1 in.

No certifications have been confirmed in the available source data. Consult your Poli LED & Signs representative for compliance documentation before specifying for regulated installations.
