

Wall-Mount Bedside Reading Lamp, 3W Adjustable Spotlight with USB Charging, Chrome

OVERVIEW

The Sovyra is a wall-mount bedside reading lamp designed for focused task and reading applications in residential and hospitality interiors. Its cylindrical adjustable spotlight is mounted on a square aluminum base, available in Chrome finish. A built-in USB port provides bedside device charging, and a button switch controls the fixture directly.

The lamp operates at 3W across a 120V–240V AC input range and delivers 110 lm/W efficacy with a rated service life of 50,000 hours. The fixture carries an IP20 environmental rating, suitable for dry indoor locations only. Base dimensions are 4.3 × 4.3 in (11 × 11 cm).
