OVERVIEW

The RS Stair Light Rectangular Style is a wall-mounted step light designed for staircases and low-level room illumination in residential settings. Built with a stainless steel and iron housing in a white finish, it provides discreet architectural lighting near the floor line for safety and ambiance.

The fixture draws 3W at 12V DC and offers selectable color temperature across 3000K, 4000K and 6000K, allowing the installer to match the light output to the surrounding decor. CRI is rated at 90 for accurate color rendering, and the embedded LEDs carry a rated lifetime of 50,000 hours.

The fixture is backed by a 1-year warranty.
