

Rectangular LED Outdoor Stair Step Light, 3W, IP65, 3000K, Black Aluminum

OVERVIEW

The Heket Rectangular LED Outdoor Step Light (RS-SL-HEKET-RECT) is a 3W surface-mounted luminaire designed for stair treads, walls, and corners in commercial and residential outdoor applications. Its compact aluminum housing integrates into steps and pathways to improve visibility and reduce trip hazards at grade transitions.

The fixture operates at 3W, produces 100 lumens at a 3000K warm white CCT, and is rated for 50,000 hours of service life. Input voltage is 120V–240V AC, making it compatible with standard North American supply. The aluminum body measures 4.3 x 4.3 in. and carries an IP65 ingress protection rating, confirming resistance to dust and direct water jets.

IP65 is the confirmed environmental rating for this fixture. No additional certifications are represented in the available source data. Warranty terms are not specified in the provided documentation; contact Poli LED & Signs for current warranty coverage.

SPECIFICATIONS

Power	3 W	Input voltage	120-240 V AC
Luminous flux	100 lm	Dimensions	4.3 x 4.3 in in
CCT	3000 K	Rated life	50000 h
IP rating	IP65		

DIMENSIONS

Body Color: Black

Materials: Aluminum
