

Round LED Outdoor Stair Step Light, 3W 3000K IP65 Waterproof, Black Aluminum

OVERVIEW

The Heket Round is a 3W LED stair step light designed for outdoor staircase and pathway applications. Its low-profile aluminum housing mounts to steps, walls, or corners, providing ground-level illumination that improves visibility and safety in exterior environments.

The fixture operates at 3W with an output of 100 lumens at a 3000K color temperature, delivering warm-toned light suited for accent and safety lighting. Rated for 50,000 hours of service life, it accepts 120V–240V AC input and is finished in black anodized aluminum measuring 5 inches in diameter.

The Heket Round carries an IP65 ingress protection rating, confirming dust-tight construction and resistance to water jets — suitable for exposed outdoor installations.
