

Gold Aluminum Stair Light, 3W LED Step Fixture, 4000K, IP20

- Aluminum housing with gold finish for indoor stair applications
- 3 W wattage suited to low-energy accent lighting
- 4000 K color temperature for neutral white output
- Rated 120-240 V AC for broad voltage compatibility
- IP20 rated, non-waterproof, for dry indoor use only
- Compact 3.5 in (9 cm) dimensions for discreet stair mounting

OVERVIEW

The RS-SL-LUCA is an aluminum stair wall light designed for residential step and stairway illumination. It mounts at stair level to provide directional accent lighting along ascent and descent paths, improving visibility and defining architectural transitions.

The fixture operates on 120-240 V and draws 3 W, making it suitable for low-energy accent applications. It carries an IP20 rating, indicating suitability for dry indoor environments only. Color temperature is 4000 K, producing a neutral white output. The housing is finished in gold-tone aluminum with overall dimensions of 3.5 in (9 cm).

SPECIFICATIONS

OPTICAL		ELECTRICAL	
Color Temperature	4,000 K	Operating Voltage	120-240 V
Light Color	White	Wattage	3 W
