

6W Recessed Stair & Wall Light, 3000K Warm White, IP20, 120–240V

OVERVIEW

The Vanha Wall Lamp (RS-SL-VANHA) is a recessed rectangular wall fixture constructed from aluminum and plastic, designed for staircase, corridor, and outdoor pathway installations. Its horizontal grille detailing produces diffused, ambient illumination suited to both contemporary and industrial environments.

The fixture operates at 6W across a 120–240V AC input range, delivering a 3000K warm white output at an efficacy of 110 lm/W. It carries an IP20 rating, indicating suitability for dry indoor locations. Rated service life is 50,000 hours. Overall dimensions are 3.3 × 8 in. (8.5 × 20.5 cm). Available in black.

No certifications are confirmed in the available source data. Consult your Poli LED & Signs representative for warranty terms and applicable compliance documentation.
