

Trimless Downlight, 5W Warm White 3000K, 2x5 In. Recessed, White

- Trimless design for flush, trim-free ceiling integration
- Operates at 5W with 100 lm/W efficacy
- Warm white 3000K color temperature
- LED lifetime rated at 50,000 hours
- White finish for discreet ceiling blending
- 3-year manufacturer warranty

OVERVIEW

The RS-TDW-AITHA is a trimless recessed downlight designed for clean, flush ceiling installations where a minimal visual profile is required. Suited for commercial interiors, hospitality spaces, and architectural lighting applications, the trimless format integrates directly into the ceiling surface without an exposed trim ring.

The fixture operates at 5W and produces warm white light at 3000K, delivering 100 lm/W efficacy with an LED lifetime rated at 50,000 hours. Nominal aperture dimensions are 2x5 inches, finished in white.

The fixture is backed by a 3-year warranty.
