

Trimless Downlight, 10W, 3000K Warm White, 100 lm/W, White Finish

- Trimless design for flush, seamless ceiling installation
- Rated wattage of 10W for compact recessed applications
- Warm white color temperature of 3000K
- Efficacy rated at 100 lm/W
- LED lifetime rated at 50,000 hours
- White finish suited to architectural interiors

OVERVIEW

The RS-TDW-LUSCE is a trimless recessed downlight designed for clean, flush ceiling installations where a minimal visual profile is required. Suited for commercial interiors, hospitality spaces, and architectural lighting applications, it installs without a visible trim ring for a seamless ceiling appearance. The fixture is finished in white.

The unit operates at 10W, delivering an efficacy of 100 lm/W and a rated LED lifetime of 50,000 hours. It produces a warm white 3000K color temperature, suited for environments where a comfortable, lower-CCT ambient light is specified. Overall dimensions are 4.6 × 8.4 inches (11.7 × 21.4 cm).
