

G9 LED Wall Sconce, 5W, Black Metal Finish, IP20, Corded Plug-In

- Metal construction with black finish
- Corded plug-in installation, no hardwiring required
- G9 socket base accepts replaceable LED bulbs (not included)
- Rated 5W with 500lm output at 110V input
- IP20 rated for non-waterproof, indoor environments
- CE certified with 1-year warranty

OVERVIEW

The RS-TL-Amanites-BK is a corded plug-in wall sconce for residential and light commercial accent lighting applications. The fixture measures 13.8 in. x 19.7 in. and is constructed from metal with a black finish. It installs via a standard wall cord and plug, requiring no hardwiring.

The sconce operates on a G9 base lamp (bulb not included) and is rated for 110V input. At 5W, the fixture is designed for low-wattage G9 LED sources up to 500lm. The unit is not dimmable and carries an IP20 rating for non-waterproof, indoor use.

The fixture is CE certified and backed by a 1-year warranty.
