

30W Brass Table Lamp, 3000K Warm White, IP20 – Iridia Gold Finish

OVERVIEW

The Iridia Table Lamp (RS-TL-IRIDIA) is a brass-construction decorative lamp finished in gold, designed for residential interior applications including living rooms, bedrooms, and bedside settings. Its postmodern silhouette combines clean lines and geometric form in a compact 10.2 x 16.5 in footprint.

The lamp operates at 30W with a 3000K warm white CCT and is rated at 100 lm/W. Input voltage is 120V–240V AC. The unit carries an IP20 environmental rating, making it suitable for dry indoor locations only. Rated service life is 50,000 hours.

No certifications are confirmed in available source data. Consult your Poli LED & Signs representative for compliance documentation before specifying for regulated installations.
