

## Luceo Table Lamp – Copper Finish, Glass & Iron, IP20, 120–240V

### OVERVIEW

The Luceo Table Lamp (RS-TL-LUCEO) is a post-modern decorative lamp constructed from glass and iron with a copper finish. Designed for indoor use, it is suited for living rooms, bedrooms, studies, and exhibition halls, offering a minimalist aesthetic with a glass body that produces a warm, layered light effect.

The lamp operates on 120–240V AC and carries an IP20 rating, making it appropriate for dry indoor environments. It is rated for 50,000 hours of service life and delivers an efficacy of 100 lm/W. Overall dimensions are 11.8 x 13.7 in (30 x 35 cm).

No certifications are confirmed in the available source data. Consult your Poli LED & Signs representative for compliance documentation and warranty terms applicable to this product.
