

## Tami Table Lamp – 15W Glass & Brass, IP20, 120–240V

### OVERVIEW

The Tami Table Lamp (RS-TL-TAMI) is a decorative LED table lamp featuring a sleek glass cylindrical body with gold-tone brass accents. Designed for contemporary interiors, it is suited for living rooms, bedrooms, offices, and reading corners where ambient accent lighting is required.

The fixture operates at 15W across a 120–240V AC input range and delivers an efficacy of 110 lm/W. Rated at 50,000 hours of service life, it carries an IP20 environmental rating, making it suitable for dry indoor locations only. The body is constructed from glass and brass, with an overall footprint of 8.7 in diameter by 23.6 in height (22 x 60 cm).

No certifications are confirmed in the available source data. Consult Poli LED & Signs for compliance documentation prior to specification.
