OVERVIEW

The RS Trimless Wall Light Corvix is a square architectural wall luminaire designed for commercial and residential interior applications where a clean, flush-mounted aesthetic is required. Its trimless construction integrates directly into the wall surface, minimizing visible hardware for a refined finish.

The fixture operates at 40W with an efficacy of 100 lm/W and a rated LED lifetime of 50,000 hours, delivering consistent output over extended service life. It measures 15.7 × 15.7 in. (40 × 40 cm), making it suitable for accent lighting, corridor illumination, or feature wall installations.

The fixture is backed by a 3-year manufacturer warranty.
