- Adjustable angle mechanism for directed illumination
- Compatible with E27 base PAR20 bulbs
- Unit dimensions of 5 × 5 × 5 inches
- Weighs 0.8 lb for straightforward handling
- Rated LED lifetime of 50,000 hours
- 1-year limited warranty

OVERVIEW

The S-CL-E27-2.5 is a ceiling light shell designed for PAR20 bulbs with an E27 socket. Its adjustable angle mechanism allows the fixture head to be repositioned for directed illumination, making it suitable for accent or task lighting applications in residential and light commercial settings. The white finish is intended to integrate cleanly with standard ceiling surfaces.

The shell is compatible with a range of E27 bulb types, offering flexibility in light source selection. Construction is described as high-quality material for durability. Unit dimensions are 5 × 5 × 5 inches with a weight of 0.8 lbs.
