- Operates on AC100-220V supply voltage
- Housing dimensions 2.36 in. diameter x 3.62 in. depth
- Black finish for a low-profile ceiling appearance
- Rated for 50,000-hour LED lifetime with 1-year limited warranty

OVERVIEW

The S-CL-GU10-3.75-BK is a recessed downlight housing designed to accept GU10 base lamps in new construction or retrofit ceiling applications. It features a 3.75 in. diameter cut-out and is compatible with AC 100-220V supply voltage, suiting a range of commercial and residential installations. The black finish provides a clean, low-profile appearance at the ceiling plane; lamp is sold separately.

The housing measures 2.36 in. in diameter by 3.62 in. in depth and accepts standard GU10 base bulbs. The unit carries a rated LED lifetime of 50,000 hours and is backed by a 1-year limited warranty.
