

MR16 Lamp Base with 8-Inch Lead Cable, 50,000-Hour Rated Life

- MR16 socket base for retrofit and replacement installations
- Includes 8-inch lead cable for wiring integration
- Rated for 50,000-hour LED lifetime
- Backed by 1-year warranty

OVERVIEW

The S-MR16 is a replacement lamp base designed for MR16-style fixtures, supplied with an 8-inch lead cable for straightforward wiring integration. It is intended for use in retrofit and replacement applications where a compatible MR16 socket and pigtail assembly are required.

The base is rated for a 50,000-hour LED lifetime, supporting long-term use in fixtures where minimizing replacement frequency is a priority. It is backed by a 1-year warranty.
