

## Halo Series Woven Track Recessed Latch Fixture, IP20, 86mm, DC24V

### OVERVIEW

The Halo Series Woven Track Recessed Latch Fixture (UT16-PDQR) is a DC24V track-mounted lighting fixture designed for integration with woven track systems. With a 86mm diameter profile and recessed latch mounting, it suits commercial and residential environments including offices, hotels, apartments, retail spaces, and workshops.

Constructed from PC material in a black finish, the fixture carries an IP20 rating, making it suitable for dry indoor installations. It is rated for a 20,000-hour lifespan and operates on DC24V input. A 2-year warranty is included.

No third-party certifications are confirmed in the available product documentation.
