

Prolink Magnetic Track System Black Canopy, 60H x 70mm

OVERVIEW

The S-TK-PL-SFB-BK is a black canopy accessory for the Prolink Magnetic Track System, designed to provide a clean ceiling entry point for magnetic track installations in commercial and retail environments. At 60mm high by 70mm in diameter, it offers a compact profile suited to recessed or surface-mounted track configurations.

No additional performance specifications are confirmed in the available source data for this canopy component. Contractors should verify mechanical compatibility with the corresponding Prolink magnetic track rail before installation.
