

Magnetic Track with Cover, Black, 377 mm, DIY Linear Mount

OVERVIEW

The S-TK-PL377-BK-CV is a black magnetic track section with cover, measuring 377 mm in length, designed for DIY linear mounting within compatible magnetic track lighting systems. It serves as a structural and aesthetic component for assembling continuous track runs in commercial and retail interior installations.

Constructed from aluminium alloy die-cast material, the track is built for durability in standard indoor environments. The 377 mm length allows flexible layout configurations when combined with other track sections and magnetic luminaires in the ProLink system.

No certifications are confirmed in the available source data. A 5-year warranty is indicated for the broader product family.

SPECIFICATIONS

Power	15 W	Rated life	50000 h
CCT	2700K/3000K/4000K K	Warranty	5 years
CRI	90	Operating temp	-20 to 60 °C
Beam angle	24 °	Dimensions	377
IP rating	IP20
