

Magnetic Track System, Black, 617 mm, Aluminium Alloy Die-Cast Construction

OVERVIEW

The S-TK-PL617-BK is a 617 mm magnetic track section from the ProLink Track System, finished in black. Designed for modular magnetic track lighting installations, it serves as the primary infrastructure component for mounting compatible magnetic luminaires in commercial and retail environments.

Constructed from aluminium alloy die-cast, the track is rated for use with the associated magnetic track system at a nominal length of 617 mm and a profile width of 27 mm. A 5-year warranty is noted in the associated system documentation.

SPECIFICATIONS

Power	15 W	Rated life	50000 h
CCT	2700/3000/4000 K	Warranty	5 years
CRI	90	Operating temp	-20 to 60 °C
IP rating	IP20	Dimensions	617
Beam angle	24 °
