

## 4 ft H-Type 3-Conductor Track, White, Double-Sided End Cap, UL Listed

### OVERVIEW

---

The S-TK3C-4-WT is a 4-foot H-type, 3-conductor track section designed for use with compatible H-type track lighting fixtures in commercial and retail applications. The white finish suits exposed-ceiling and surface-mounted installations where a clean, neutral appearance is required. Included double-sided end caps allow for flexible layout termination and a finished look at open track ends.

This track section carries a UL Listing, confirming it has been evaluated to applicable safety standards for track lighting systems.
