

8 ft. H-Type 3-Conductor Track, Black with Double-Sided End Cap, UL Listed

OVERVIEW

The S-TK3C-8-BK is an 8 ft. H-type 3-conductor track section designed for use with compatible H-type track lighting fixtures in commercial and retail applications. The black finish suits exposed-ceiling and architectural installations where a clean, low-profile appearance is required. The included double-sided end cap provides a finished termination at both ends of the run.

This track section carries a UL Listed rating, confirming it has been evaluated to applicable safety standards for track lighting systems.
