

Surface Mounted Magnetic Track Rail, 20 Style, 1M Aluminum Profile

OVERVIEW

The S-TKFT-SM3 is a 1-meter (3.2 ft) surface-mounted magnetic track rail in the 20 Style profile, designed for use with compatible 20 Style magnetic LED track lighting fixtures in commercial and architectural lighting installations. The aluminum construction provides a rigid, low-profile mounting solution suitable for ceiling or wall surface applications where recessed installation is not feasible.

The rail is manufactured from aluminum, offering a durable and lightweight channel for magnetic fixture attachment and repositioning without additional tools.
