- Rated 10A-16A service at 2500W with 1 m power cord
- Requires 100-102mm cutout for flush pop-up mounting
- IP44 ingress protection rating for splash resistance
- UL Listed, file number E504391

OVERVIEW

The SO-1STD-3USB-SPK-G is a pop-up recessed outlet designed for conference tables, reception desks, kitchen islands, and similar commercial or hospitality installations. It integrates a single AC socket, USB-A (2A) and USB-C charging ports, a Bluetooth speaker, and a Qi wireless charging pad into a single flush-mount unit requiring a 100-102mm cutout.

The unit is rated for 10A-16A service at 2,500W and includes a 1-meter power cord. An IP44 ingress protection rating suits environments where incidental water splashing is a concern.

The device is UL Listed under file number E504391.
