

Vintage Brass Decorator Wall Switch, Period-Style Finish

- Vintage brass finish for period-accurate hardware matching
- Decorator-style switch configuration
- Suited to hospitality and historic renovation interiors
- Designed as a drop-in alternative to standard switch plates

OVERVIEW

The SW-VB is a vintage brass decorator wall switch designed for applications where period-appropriate aesthetics are required alongside standard switching functionality. The finish suits hospitality, historic renovation, and upscale commercial interior projects where conventional switch hardware would be visually inconsistent with the design intent.
