

Smart Film Custom Cut — Specify Width x Height per Window or Door

- Custom cut to specified width and height dimensions
- Dimensions accepted in inches or millimeters
- Sized per individual window, door, or glass partition
- Made-to-order fabrication for exact opening fit

OVERVIEW

Smart Film Custom Cut is a made-to-order switchable film sized to the exact dimensions of each window, door, or glass partition in a project. Specify width and height in inches or millimeters to receive film cut to the required opening.

Typical applications include conference room privacy glazing, healthcare partitions, and storefront displays where on-demand opacity control is required.

APPLICATIONS

- Conference room privacy glazing
- Healthcare facility partitions
- Storefront display windows
- Glass office partitions
